TO: All Members of Lake Orono Improvement Association (LOIA)
RE: Notification of Revisions to LOIA Bylaws

A meeting to discuss these revisions has been scheduled for June 5th @ 6:00PM at the Elk River Library 13020 Orono Pkwy [http://www.griver.org].

In the interest of maintaining and preserving this viable entity, the following changes have been proposed to streamline the bylaws at this phase of the organization:

1. Revision of the number of officers based on Minnesota Statute 317A.301: A corporation must have one or more natural persons exercising the function of the offices of president and treasurer, however designated.
2. Restructured the number of sections from seven to four to reflect the breakout of the lake: Lake Orono West, Lake Orono Upper, Lake Orono Middle and Lake Orono East.
3. Changed the annual meeting date from March to June.
4. Elimination of some committees as they are currently not active and can be designated as needed by the Board.
5. Removed list of pre-determined non-business meetings and therefore excluded from the budget. This does not preclude anyone from organizing an event.
6. Updated Section 7 as the functions listed do not fall under the realm of Task Force.
7. Revised the votes needed to amend bylaws from two-thirds to a simple majority.

Deletions from the previous Amendment are reflected with a strikethrough.
Additions are reflected with a highlight.

If you are unable to attend the June 5th meeting and have comments or questions, you can contact me at 763-241-8887 or at ekbury@charter.net.

Sincerely,

Ed Bury, President
Lake Orono Improvement Association
